

Welcome to 1st Grade!!!!

July 2023

Welcome

Hello 1st graders and families! I am looking forward to teaching and learning with you this year!

Here are some things fun things to know about me. I grew up in Tucson and graduated from Rincon High School and from the U of A. I got a master's degree from NAU. I have a sweet Dachshund mix named Daisy. I enjoy gardening even though Daisy and I have different opinions about what should happen in the garden. She likes to eat the leaves off the plants and dig holes all over. My parents live in Tucson, and my mom likes to help in our classroom. She'll be helping me get things ready for you. I enjoy cooking, and we will be making a few recipes in our classroom. I look forward to meeting you in August and finding out about you and your family.

Donations

Sometimes families like to donate supplies to our classroom. Here are some things that we need: snacks to share and tissues. If you would like to donate anything, it would be greatly appreciated. Thank you!!
